

Waccamaw Community Foundation uses an online Fundholder Portal to provide a secure and easy way through which you can access fund information. Depending on the type of fund you advise, you may be able to view the latest fund balances, make grant recommendations, or review gift history. **The information provided below is meant to guide you in learning this system.** If you need additional assistance, or have any questions, please contact Shawna Mosley-Foster at 843-357-4483 x100 or by email at shawna@mywcf.org.

Logging into the Fundholder Portal for the First Time

You will receive an email directly from our system with a login name and a link to access your personal Fundholder Portal page. *The email will come from this address: Coastal Community Foundation <no-reply@fcsuite.com>*. Select the link and you will be prompted to create a password to the Fundholder Portal site. Once your password is created, go to the Login page, enter your credentials, and log in.

If your screen looks like this, you are in the right place. As an affiliate of Coastal Community Foundation, Waccamaw Community Foundation's Portal is in partnership with Coastal Community Foundation and receives administrative assistance in managing investments and technology.

Logging into the Fundholder Portal After Setup

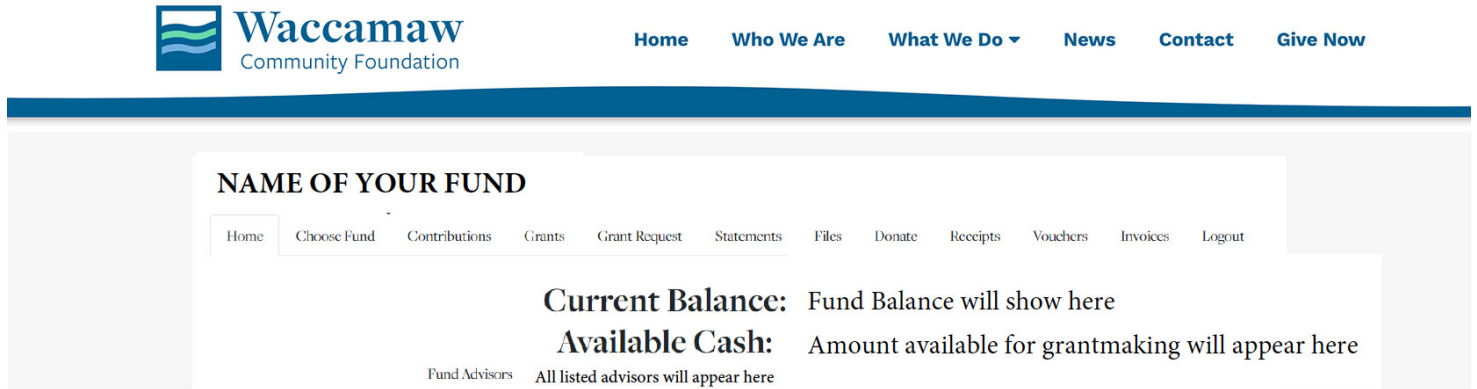

To log in after setting up your account in the future, navigate to our website at www.waccamawcf.org and select "What We Do" on the top, and navigate to the "Donor" section to access the link to the new portal.

Tab Selections

Once you have logged in, you can select the tabs at the top of the page to review the different areas available to you as a Fund Advisor. As a reminder, depending on the type of fund that you manage at the Foundation, not all of the following tab selections may be available to you.

For reference, here is what the tab selections may look like on your screen:

Home Tab

- This tab provides an at-a-glance list of recent gifts and grants paid out of the fund. You will also see the fund's current balance, updated in real-time*. This screen also lists all Fund Advisors, shows recent contributions to the fund, and recent grants made by the fund. **Please note that investment returns are only posted monthly and administrative fees quarterly.*

Choose Fund Tab

- If you serve as an advisor for multiple funds, you will see this tab once you have successfully signed into the system. Choose the particular fund with which you wish to interact. If you are listed as an advisor for only one fund, you will go directly to the homepage for that fund and will not see this tab.

Contributions Tab

- If applicable, this tab shows the detail for each gift received into the fund dating back to 1/1/2016. Unless the donor has requested to remain anonymous, you will be able to view more detail about each donor by clicking their name. There are filtering options if you hover over the right side of any of the column headers, such as Date, Description, Amount, etc. You can also click the "export" option on the far-right side of the menu bar to export the details into an excel spreadsheet for your records.

Grants Tab

- This tab provides details on all grants distributed from the fund dating back to 1/1/2016. The top section provides a summary of grants by grantees. Scroll past the summary section to see grants listed from most recent to oldest. You can also click the "export" option on the far-right side of the menu bar to export the details into an excel spreadsheet for your records.
- Complete status means the grant has been paid. Other status indicators may appear throughout the grantmaking process. Please contact the Foundation if you have questions about the status of a grant. Most grants are processed in 5-7

business days, unless they need additional approval by our Grants Committee, which meets monthly.

- *Request* means that your grant request has been sent to our staff. If you would like to cancel a pending grant request before it is processed, click the yellow Cancel button.
- *Cancelled* means your grant request has been cancelled.
- *Pending* means that our staff is currently processing your grant request.
- *Approved* means your grant request has been approved but not yet paid.
- *Paid* means that the grant request has been approved and a check has been paid out to the organization.
- *Completed* means the grant request has successfully been fulfilled.

Grant Request Tab

- As a Fund Advisor, depending on the type of fund, you *may* be able to make grant requests from the fund by clicking into the “Grant Request” Tab. To request a grant, you can either “Choose from a Previous Grantee” which will list your previous grantees, or select a new grantee through the following 3 options:
 - **Grant to a Foundation Fund**
 - This section includes some of our most active community-supported funds (e.g. Disaster Relief Fund). You will use the Search section to look for all other Foundation and Affiliate funds.
 - **Search for other Grantees**
 - This is helpful because you can type in keywords and click the SEARCH button. The system will search The Foundation for existing funds containing the keywords you’ve selected, recent Foundation grant recipients, as well as GuideStar. GuideStar is an information service specializing in reporting on U.S. nonprofit organizations. The more keywords used, the better the search results will be. *Please note that this tool does not automatically guarantee that an organization will pass the Foundation’s due diligence, that procedure will still take place during processing.*
 - **Enter a Grantee Manually**
 - The bottom section of this tab is where a new nonprofit or grantee can be entered manually. You will need to enter the name of the grantee, an address, zip code, and a phone number to move the grant request to the Foundation’s staff for due diligence.
- The minimum grant amount is \$250.
- Regardless of how you choose to submit your grant, once the grantee information has been added, you can complete the request by clicking the SUBMIT button at the bottom of the page.
- This tab will also show a list of grants requested to be paid out on the right with their current status. Grant requests still in the REQUEST status can be canceled from this screen, however, once Foundation staff begin processing you will no longer be able to cancel the grant.

Statements Tab

- You will be able to view Fund Statements dating back to QE 12/31/2020 at this tab.

Files Tab

- The Files Tab will contain information pertinent to your specific fund, such as Fund Agreements or Relationship Review documents, as well as copies of sample Fund Statements, Grant Transmittal Letters, and Check templates.

Donate Tab

- The Donate tab allows you to contribute to any listed funds at the Foundation. By clicking this tab, you will be redirected to our website's donation page and invited to select the fund you want to contribute into or search for any of the funds the Foundation holds. If you have questions about your contribution using the DONATE button, please contact Shawna Mosley-Foster at 843-357-4483 x100 or by email at shawna@mywcf.org.

Receipts Tab

- The Receipts Tab will have copies of your donation's tax receipts, dating back to January 2021.

Vouchers Tab

- If applicable to your fund type, the Vouchers Tab will show expenses paid for by your fund (this is separate from regular grants).

Email Alerts

We will alert you via email every time a donation is made to your fund or a grant has been awarded from your fund. These alerts can be cancelled at any point, but the alerts are not retroactive, so you will not be notified of past grants or donations. If you would like to cancel these alerts, please contact Shawna Mosley-Foster at 843-357-4483 x100 or by email at shawna@mywcf.org.

Logging Out of the Fundholder Portal

Remember to use the "Logout" tab to close the Fundholder Portal securely. You will be automatically logged out each night even if you do not remember to logout, so we recommend that you make note of your new username and password in a safe place for your records.

Locked Out of your Fundholder Portal?

If you are locked out of your account, click "Forgot Password" on the login page. Enter your username and click the "Reset Password" button. If an account with the provided username is found, instructions to reset your password will be sent to the email address for that account. If you're still having trouble, please contact Shawna Mosley-Foster at 843-357-4483 x100 or by email at shawna@mywcf.org.
